Themes in Metal and Clay

An Annual Exhibit of Works by the **Metalworkers and Ceramics Guilds**
of the **Lexington Arts and Crafts Society**

March 17 - April 1, 2018

The artisans of the **Metalworkers and Ceramics Guilds** find shared inspiration in many things: curiosity about the living world around us, a passion for the beauty of form and ornament, our sense of fun, and our love of finding new modes of expressing these interests.

We invite you to view a collection of our work, featuring unique interpretations of shared themes in many different techniques and materials.
