

# ART WALK

## 2017 LEXINGTON, MA

## Call for Artists

Members of the *Lexington Center Alliance*, *Lexington Arts & Crafts Society*, *Lexington Council for the Arts*, and the *Munroe Center for the Arts* are coming together to plan another wonderful display of artwork throughout Lexington. Join us for this year's **Foot-by-Foot** ArtWalk!

This year's theme is "affordable art". Submissions are requested to be 12" x 12" in size, and priced \$250 or under. Larger works may be submitted along with smaller pieces, however, large pieces will only be selected for a small number of windows. This year the priority is to fill Lexington with small, 12x12 works (for 3D works, this is 12x12x12).

Art will be displayed Monday, November 6 - Sunday, November 26 (during the seasonal celebrations of the Lexington Retail Association, and the Thanksgiving weekend).

Artwork will be selected based on quality and available display space. Artists are required to have a Lexington connection either as a resident, affiliation with Lexington through work, etc.
