

LEXINGTON ARTS AND CRAFTS SOCIETY

130 WALTHAM STREET, LEXINGTON, MA 02421

The Metalworkers and Weavers Guilds of the Lexington Arts and Crafts Society show explores hands at play – whether using fibers or metals, to craft jewelry, sculptural objects or beautiful fabrics.

The show will include a hands-on area for people to try their hands at weaving or making simple jewelry from ordinary materials and feature a “living with craft” display of the practical uses for beautiful handmade table linens, pillows, and sterling silver.

Cards and small items made by guild members will also be on sale in our “Gallery To Go.” The proceeds from the card sales will be donated to LACS.
